

SHAHEER RANGREJ

Location: Mumbai, Maharashtra Email: whyshaheer143@gmail.com

LinkedIn: shaheer-rangrej GitHub: github.com/B-Samy

PROFESSIONAL SUMMARY

Aspiring Data Scientist and AI/ML Engineer with practical hands-on experience in Machine Learning, Natural Language Processing (NLP), and Deep Learning. Proven track record of developing end-to-end intelligent systems including AI resume parsers, fraud detection, sentiment analysis, and predictive analytics models. Passionate about applying data-driven techniques to solve real-world problems.

TECHNICAL SKILLS

Core Languages:	Python, SQL
AI / ML / Data Science:	Machine Learning, Deep Learning, Natural Language Processing (NLP), Data Analysis, Predictive Modeling
Soft Skills:	Effective Communication, Problem-Solving, Analytical Thinking, Teamwork

PROJECTS

AI Resume Parser

Designed and implemented an NLP-powered resume parsing system capable of automatically extracting candidate details, skills, and experience from unstructured text documents.

Credit Card Fraud Detection System

Developed a machine learning classification model to detect fraudulent financial transactions with high precision, utilizing sampling methods to address class imbalances.

Hate Speech Recognition & Sentiment Analysis

Built deep learning and NLP pipelines to analyze text data, detecting hate speech and performing multi-class sentiment analysis.

Employee Attrition Prediction System

Created a predictive analytics framework using ML algorithms to analyze workplace factors and accurately forecast employee attrition risks.

Diabetic Risk Prediction System

Trained healthcare predictive models to evaluate and classify diabetic risk based on diagnostic clinical parameters.

EXPERIENCE

Data Science Intern

June 1 – August 31

Ambition Academy — Mumbai, Maharashtra

- Applied machine learning algorithms and data analysis techniques on domain-specific datasets.
- Assisted with data preprocessing, feature extraction, and clean coding practices for machine learning pipelines.
- Evaluated and fine-tuned model performance metrics for project deliverables.

EDUCATION

Bachelor of Engineering in Artificial Intelligence & Machine Learning

Graduation: 2027

M. H. Saboo Siddik College of Engineering — Mumbai, Maharashtra

CERTIFICATIONS

- Data Science Certification

- **Machine Learning Certification**
- **Natural Language Processing (NLP) Certification**
- **Deep Learning Certification**
